DURGAPRASAD M E

Full Stack Developer | React & React Native / Android Developer

meprasad78@gmail.com / 6383058450/ Anakaputhur,Chennai – 70.

LINKS : LINKEDIN | GITHUB

PROFESSIONAL SUMMARY

Full Stack Developer and React Native / Android Developer with hands-on experience building web and mobile applications across the full technology stack. Skilled in developing frontend interfaces, backend services, REST APIs, and database-driven systems.

TECHNICAL SKILLS

Frontend: React.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, Tailwind CSS, React Native, NativeWind

Backend: Node.js, Express.js, REST APIs

Databases: MySQL, MongoDB

Build Tools: Vite, Expo

Developer Tools & Version Control: VS Code, Git, GitHub

EXPERIENCE

TheBrandopedia | *Startup*

Full Stack Developer Intern / React Native Developer Intern • 4 Months

- Contributed to full stack web development and React Native mobile application development during the internship.
- Worked across both web and mobile platforms, including Android application development.

INTERNSHIP PROJECTS

NBC (Networking Beyond Campus) | Full Stack Developer

Full Stack Web Application – Event Ticket Booking Platform • 1 Month

An event ticket booking platform with an admin panel and a user web application. Admins create and publish events through the admin panel; users view published events and book tickets through the user-facing application.

- Developed the frontend for the user-facing event booking application and the admin panel for event management.
- Built backend functionality using Node.js and Express.js, and developed and integrated REST APIs.
- Implemented MySQL database integration and JWT-based authentication for admin access.
- Integrated Razorpay for payment processing and connected frontend and backend workflows for event creation, event display, ticket booking, and payment.
- Deployed the web application and backend using Hostinger.

Tech Stack: React, Vite, TypeScript, Tailwind CSS, Node.js, Express.js, MySQL, REST APIs, JWT Authentication, Razorpay, Hostinger.

MACHRUSH | **React Native Developer / Frontend Developer**

B2B Manufacturing Mobile Application • 1 Month

A B2B manufacturing platform connecting manufacturers/job givers with machine shops/job takers. Contributed to the frontend and mobile application layer of the platform.

- Developed and maintained mobile application interfaces using React Native.
- Built reusable and responsive UI components and implemented application screens and user interactions.
- Styled the application using NativeWind and CSS, and worked with TypeScript for type-safe frontend development.

Tech Stack: React Native, TypeScript, NativeWind, CSS

PERSONAL PROJECT

Todo 2.0 | **Full Stack React Native Developer (Personal Project)**

Full Stack Productivity / Task Management Mobile Application

A full-stack productivity and task management mobile application enabling users to create, manage, organize, and track tasks using both text and voice-based input, with scheduling, reminders, and categories.

- Developed the mobile application using React Native and Expo, with reusable UI components built using NativeWind.
- Implemented task creation, task management, scheduling, and reminder/alarm functionality, including voice-based task input.
- Integrated backend APIs using Node.js and Express.js, with MongoDB-based task storage and Firebase Authentication.
- Connected the mobile frontend with backend REST APIs to deliver a productivity-focused mobile experience.

Tech Stack: React Native, TypeScript, NativeWind, Expo, Node.js, Express.js, MongoDB, Firebase Authentication, REST APIs

---

EDUCATION

NxtWave | CCBP 4.0 — Full Stack Development (2024–Present)

Hands-on training in frontend, backend, databases, and real-world application development.

BSc Computer Science — Tagore College of Arts and Science, Chromepet, Chennai (2022–2025)

E-Commerce Course — Madras University, Chennai (2022–2023)

One-year course covering web development and e-commerce systems.

HSC (Computer Science) — Govt. Hr. Sec. School, Pathirivadu, Madharpakkam, Thiruvallur (2020–2022)

SSLC — Govt. Hr. Sec. School, Pathirivadu, Madharpakkam, Thiruvallur (2019–2020)
